Dear Sr. Philip Marie,

I received and studied your document on the Mysteries of Light. Thank You! Your document is very good, rich in Scripture and very contemplative. I recognized no errors in theology or anything contrary to God Spirituality. You will reach a certain audience and your sharing on the Mysteries of Light will be very grace-filled!

God Bless you, please

"The Rosary and the Way of the Cross are Inseparable."

Sr. Philip Marie has been given a mission by our Blessed Mother to spread this new devotion to the Rosary and Way of the Cross. On October 13, 1968 The Feast of Our Lady of Fatima, the Blessed Virgin appeared in the U.S.A. to a well known and respected scientist and said, "Because of your great devotion to the Holy Trinity and to my Son and to myself, I have a special mission for you. I want you to make a 15 Decade Rosary, and in place of the "Our Fathers beads" I want you to put in the Stations of the Cross."

Our Blessed Mother promised that peace and a happy home would be granted to those who would pray the Rosary always integrating meditation on the Passion and Death of Her Holy Son.

She said, "I will pray for all those for whom you pray, I will place my mantle of protection over them and even the hardest of sinners will be healed, The Rosary and the Way of the Cross are inseparable."
